Freight Information

The freight amount is calculated on destination per basket - usually between \$15.50 and \$35.00, quantity orders may receive a discount, which we will notify you of via email if applicable.

Where necessary, all hampers on our site are shipped on the day of order for same day delivery to Sydney and surrounding major areas (depending on time of order), most eastern seaboard areas can be next day delivery. Single Christmas orders require a 2-day lead-time before despatch.

The Basket People only use quality couriers delivering door to door; all hampers are insured for your protection.

We recommend a work delivery address for the recipient, as most people are not home during the day to receive their gift. If the recipient is not home and the courier feels that it is not safe to leave the gift, you may incur an additional fee for another delivery. The Basket People endeavour to deliver on requested days but take no responsibility for late deliveries.

Please note:

DELIVERIES ARE NOT POSSIBLE ON WEEKENDS OR PUBLIC HOLIDAYS.

Other necessary information for your use

The Basket People will endeavour to despatch your order with 2-3 working days of receipt but due to the volume of orders closer to Christmas this may not always be possible.

Every Gift Basket is packed to order to ensure freshness; The Basket People do not hold on hand stocks of any of the advertised hampers.

When necessary due to limited availability of products The Basket People reserve the right to substitute products when necessary of equal or greater value. This includes carriers and internal contents.

The Basket People prefer NOT to ship Fruit baskets in the 2 weeks leading up to Christmas due to the extreme heat that Sydney endures at that time.

As with everyone at Christmas time all of our couriers Australia wide are under extreme pressure to deliver. Whenever possible please ensure plenty of time for delivery. Delivery time schedules are available on the site at www.thebasketpeople.com.au Please verify that the address provided is accurate and all unit numbers and details have been provided. Redeliveries due to incorrect information will incur additional charges.

Prices are quoted in Australian Dollars and include GST, which in some instances will not be the full 10% due to the nature of the products

Persons may only purchase hampers containing alcohol over the age of 18.

Orders with multiple address should be emailed to sales@thebasketpeople.com.au in either a word or excel file. You will then be notified of your total including freight.
